Ms. Kalidindi,

The FBI response to our January 23rd inquiry stated that your background clearance request was received from the USCIS on March 30, 2004 but has not yet been completed. Unfortunately the FBI is unable to provide a time frame for completing their security review process but if you do not hear from the Chicago CIS office within the next 3 months, please contact me again and I will do another status inquiry.

I hope this information is helpful to you.

Ms. Kalidindi,

As per your request, I contacted the FBI once again concerning the status of your name check clearance. The FBI response stated their investigation has not been completed yet. As we discussed before the USCIS cannot make a final decision on your application until this security process is finalized and the Texas Service Center assured me that you will be notified as soon as they receive the mandated security clearances.

If you have any further questions, do not hesitate to ask.

Dear Ms. Kalidindi:

Thank you for your recent letter to Senator Barack Obama about your pending immigration issue. I handle Immigration/Visa cases for the Senator and he has asked me to respond on his behalf.

I have contacted the U.S. Citizenship and Immigration Service (USCIS) on your behalf to inquire about the status of your case. A representative from USCIS reported back to me today that your case is being held pending name check completion.

The September 11 terrorist attacks have forced USCIS to implement much more stringent background checks, and they often take up to two years to complete. Unfortunately, a final decision on your petition cannot be made until the national security check is completed by the Federal Bureau of Investigations (FBI) and they have contacted USCIS with the results. If you do not hear back from USCIS within three (3) months, please contact me again and I can inquire on your behalf.

I understand the frustration of enduring such long waits. However, I trust that the FBI and USCIS are working as quickly as they can given the security requirements and caseloads that they face. If you have additional information or concerns relative to this matter, please feel free to contact me at 312 896-3506.

Thank you for your recent correspondence in relation to your pending FBI name check. I understand your frustration with the lengthy delays you have experienced in obtaining your name check clearance. As you are probably aware name check clearances are required by the United States Citizenship and Immigration Services before they can process or make a final determination on immigrant visa petitions. Our office is not able to inquire about the status of name checks pending with the FBI however, individuals can e-mail the FBI directly and inquire about the status of their name check. The e-mail address is FBINNCP@ic.fbi.gov. Please be sure to include your full name, date of birth and place of birth in your inquiry.

I hope that my office has been of assistance to you. Please do not hesitate to contact us again if I can assist you in other matters of federal concern.

U.S. Citizenship and Immigration Services Vermont Service Center Processing Dates Posted November 14, 2007

The processing times shown below are a tool for our customers to gauge our current processing times. When applications and petitions are completed within our target timeframes, that goal will be shown in the data display.

The processing times shown below are for applications that have just been completed. If you have just filed your application, these timeframes may not reflect how long your application will take to be completed. We encourage you to check this page periodically before inquiring about your case. The processing times are updated monthly.

USCIS has received a significant increase in the number of applications filed. In July and August, nearly 2.5 million applications and petitions of all types were received. This compares to 1.2 million applications and petitions received in the same time period last year. This fiscal year, we received 1.4 million applications for naturalization; nearly double the volume we received the year before. The agency is working to improve processes and focus increased resources, including hiring approximately 1,500 new employees, to address this workload.

As a result, average processing times for certain application types may be longer. In particular, naturalization applications filed after June 1, 2007 may take approximately 16-18 months to process.

We offer a variety of services after you file. For example, for most kinds of cases you can check the status of your case online.

For more information about when and how to contact us, whether your case is outside our processing time or if there are other issues, please see our customer guide –

Notice to all customers with a pending I-130 petition - USCIS is now processing Form I-130, Petition for Alien Relative, as a visa number becomes available. Filing and approval of an I-130 relative petition is only the first step in helping a relative immigrate to the United States. Eligible family members must wait until there is a visa number available before they can apply for an immigrant visa or adjustment of status to a lawful permanent resident. This process will allow USCIS to concentrate resources first on cases where visas are actually available. This process should not delay the ability of one's relative to apply for an immigrant visa or adjustment of status. Refer to www.state.gov/travel <<http://www.state.gov/travel>> to determine current visa availability dates. For more information, please visit our website at www.uscis.gov or contact us at 1-800-375-5283.

Always remember to call customer service if you move while your case is pending. If you have a pending I-130 relative petition, also call customer service if you should decide to withdraw your petition or if you become a U.S. citizen.

APPLICANT KALIDINDI, RAJINI D.		
RAJINI D. KALIDINDI		Notice Type: Receipt Notice Amount received: \$ 180.00 Class requested: C09

Receipt Notice- This notice confirms that USCIS received your application or petition ("this case") as shown above. If any of the above information is incorrect, please immediately call 800-375-5283 to let us know. This will help avoid future problems.

This notice does not grant any immigration status or benefit. It is not even evidence that this case is still pending. It only shows that the application or petition was filed and is being processed.

Processing time - Processing times vary by kind of case. You can check our website at www.uscis.gov for our current "processing times" for this kind of case at the particular office to which this case is or becomes assigned. On our website "case status online" page, you can also view status or sign up to receive free e-mail updates as we complete key processing steps on this case. During most of the time this case is pending, however, our systems will show only that the case has been received, and the processing status will not have changed, because we will be working on other cases that were filed earlier than this one. We will notify you by mail, and show in our systems, when we make a decision on this case or if we need something from you. If you do not receive an initial decision or update from us within our current processing time, check our website or call 800-375-5283. Please save this notice, and any other notice we send you about this case, and please make and keep a copy of any papers you send us by any means, along with any proof of delivery to us. Please have all these papers with you if you contact us about this case.

If this case is an I-130 Petition - Filing and approval of a Form I-130, Petition for Alien Relative, is only the first step in helping a relative immigrate to the United States. The beneficiaries of a petition must wait until a visa number is available before they can take the next step to apply for an immigrant visa or adjustment of status to lawful permanent residence. To best allocate resources, USCIS may wait to process forms I-130 until closer to the time when a visa number will become available, which may be years after the petition was filed. Nevertheless, USCIS processes forms I-130 in time not to delay relatives ability to take the next step toward permanent residence once a visa number does become available. If, before final action on the petition, you decide to withdraw your petition, your family relationship with the beneficiary ends, or you become a U.S. citizen, call 800-375-5283.

Applications requiring biometrics - In some types of cases USCIS requires biometrics. In such cases, USCIS will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for biometrics processing. You must WAIT for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification. Acceptable kinds of photo identification are: a passport or national photo identification issued by your country, a drivers license, a military photo identification, or a state-issued photo identification card. If you receive more than one ASC appointment notice, even for different cases, take them both to the first appointment.

If your address changes - If your mailing address changes while your case is pending, call 800-375-5283 or use the "Online Change of Address" function on our website. Otherwise, you might not receive notice of our action on this case.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
